

Freshmen Families,

Below is a list of items to bring, a few reminders, and a suggested schedule for the 2019 Freshmen class trip.

**List of what to bring:**

Water Bottle  
Snacks (approx.. 2-3)  
Old comfortable shoes (for hiking; Can we say “MUD”?)  
Older clothes (they may get dirty)  
Coat for cooler weather at night  
Rain Gear (will be carried all day in a backpack)

**Reminders and Notes:**

- 2 lunches, dinner, breakfast and 2 snacks will be provided at the facility so snacks and your own water bottles will be needed due to the 4-6 miles of outdoor hiking, ***rain or shine***, throughout the 2 days
- Learning groups are decided not upon friends but learning from others and building our freshman class through teambuilding activities
- Once on site at Camp Weaver there is no cell phone signal so all cell phones will be locked up in Ms. Culbertson's car until the end of the day when we return to PCHS for pickup at 3:25 pm.
- Reminder...**Have Fun and no disrespect is accepted!** You are expected to respect all camp counselors and adult chaperones whether a teacher or a parent.

**Suggested Schedule:**

- We leave at the latest on Thursday, March 21 by 9:20 am and after that you are left at school for the day and no refunds will be applied.
- We arrive by bus and unload at YMCA Camp Weaver and unload our luggage at the cabins. Then we proceed to 3 outdoor environmental classes followed by dinner. The afternoon will be completed with a night hike, snack, and campfire so a small flashlight is a good idea and a coat.
- On Friday March 22 we will start the day by cleaning and packing up our cabins and luggage, breakfast, 2 additional outdoor environmental classes and lunch
- Departure from Camp Weaver at 2:15 to return to PCHS by bus around 3:00 to arrive in time for 3:25 dismissal.

***\*\*Arrive at school by 8:20 am on Thursday, March 21, 2019 for check-in, breakfast, and field trip overview in Ms. Culbertson's room (207)!***
